The proposed merger will create a synergy to Transferor as well as Transferee which will enable these business activities to sustain as well as grow at a faster pace.
- (b) The merger of the Transferor Company I and Transferor Company II (herein after collectively referred as Transferor Companies) with the Transferee Company shall provide greater financial strength to the businesses of the Transferor Companies. The financial resources of the Companies will be conveniently merged and pooled together leading to a more effective and centralized management and reduction of administrative and manpower expenses and overheads, which are presently being multiplied because of separate entities.
- (c) The merger of the Transferor Companies with the Transferee Company shall create a company having diversified portfolio of businesses.
